### RESPECTING OUR NEIGHBOURS

Respecting our neighbours is important to our society as well as the longevity of our festival.

The neighbourhood north of 101 Ave and east of 106 St. is restricted to local access only.

Public Parking for fest-goers is located at:

- All NWP Lots, *except* residence lots G and J
- The Leisure Centre
- Bonnetts Energy Centre

We ask for anyone parking in other parts of the city be mindful of:

- Not blocking driveways
- Avoiding parking too near to corners
- Driving slowly in residential areas
- Not parking in private parking lots

Please visit us at [bearcreekfolkfest.org](http://bearcreekfolkfest.org) for more information about the festival.
